## IT'S NOT TOO LATE TO COMPLETE THE 2020 CENSUS

If you already responded, **THANK YOU!** Your response helps make sure that our county will have more resources to meet our communities' needs.

If you haven't responded, you only have until **September 30th** to be counted. You can do it online, over the phone, or using the paper form you received in the mail. Non-response follow-up has started. That means someone from the Census Bureau may visit your home if you haven't responded yet.

## REMEMBER

The census determines our political representation and funding for critical services like WIC, head start, libraries, and school meals for the next **TEN YEARS!** In Contra Costa County, we're seeing that many of our neighbors in areas with young children, communities of color, and low-income families still need to respond.

**NOTHING** has changed about who counts. **Everybody counts!** Babies, grandparents, friends or relatives staying with you, and anyone else who uses your address. **NOTHING** has changed about the ways your answers are protected. The census bureau **CANNOT** share your information with anyone, including other government departments, and there is **NO** citizenship question.

**WE ALL COUNT!**

WHEN WE RESPOND TO THE CENSUS, WE FIGHT FOR  
**EQUAL REPRESENTATION IN OUR COMMUNITIES,**  
NO MATTER OUR AGE OR CITIZENSHIP STATUS.

**¡TODOS CONTAMOS!**

CUANDO CONTESTAMOS EL CENSO, LUCHAMOS POR LA  
**IGUALDAD DE REPRESENTACIÓN EN NUESTRAS COMUNIDADES,**  
SIN IMPORTAR NUESTRA EDAD O ESTADO DE CIUDADANÍA.
